REMARKS

SOURCE

1. About 80 troops wearing red bordered, black epaulets, some with artillery insignia, were quartered in the Carthusian Monastery of GAMING (O 48/W 45). No Guards badges were seen.
2. Seven trucks and four short-barreled guns of about 50 mm caliber (rubber tires, no muzzle brake) were parked at the quarters.
3. Local residents stated that the unit in GAMING furnished the zonal border guards at GOESTLING (O 48/V 33) and HOLZ-HUETTENBODEN. The unit included a relatively high number of officers (about 35).

25X1A

Comment: One battalion of the 95th Gds Mtz Rifle Div is assumed to be stationed in GAMING. The battalion probably is primarily assigned to zonal border guard duty.
